ONE DAY NATIONAL WEBINAR ON OPEN CAST MINING AND WASTE MANAGEMENT-
ISSUES AND CHALLENGES

To,

Dr. Amitra Sudan Chakraborty
Head school of Legal Studies , Seacom Skills University, West Bengal

Subject – Invitation to attend a one day National Webinar on “ Open Cast Mining and Waste Management – Issues and Challenges “

Dear , Dr. Amitra Sudan Chakraborty

This is to inform you that Bidhan Chandra College (Govt. Sponsored , NAAC Accredited , Recognized by UGC and affiliated to Kazi Nazrul University , WB) is one of the most reputed and esteemed college of Asansol Sub-division. The Commerce Department of our college is holding a National Webinar. The Webinar topic is “ Open Cast Mining and Waste Management – Issues and Challenges . “ It will be held on 11th June 2021

The Conference is one of our regular activities which have the aim of providing a scenario for everyone in the specific field and to our society to learn about the latest issues . We would like you to join us and share your expertise knowledge to the participants.

We are inviting you to join this National Webinar as a resource person knowing that you are one of the best in this field . Kindly confirm your attendance so that necessary needs and arrangements can be made accordingly.

Sincerely ,

Dr. , Monoranjan Ghosh
HOD (Department of Commerce)
B.C College Asansol
Paschim Bardhaman , West Bengal .

**Sub: Formal invitation to participate as a speaker in the one-day national webinar entitled
"Current progress in Plant Biology: Implications towards Crop Improvement"**

Respected Sir,

This is to bring to your kind attention that on the behalf of Dept. of Botany, Bidhan Chandra College, Asansol, West Bengal, is organizing a one day national webinar entitled, **"Current progress in Plant Biology: Implications towards Crop Improvement"**, scheduled to be held on 10th July, 2021: 3:00pm onwards.

As we know, the detrimental effects of global climate change along with the augmented increase in human population have put substantial impact on agriculture, and thus emphasis has now been given towards ensuring food security for a sustainable future. The primary goal of this webinar is to enrich the knowledge of the participants, regarding the recent research progress taking place in the biological as well as agricultural sciences.

We would humbly request you to participate in our webinar as a resource person and share your expertise and research work with the participants. Your discussion on this topic will be a great addition to our event.

We hope you will respond positively to this invitation and will grace the occasion. Thank you in advance for your consideration and we are looking forward to hear from you.
