Subject - Gratitude for collaboration on a Gender Sensitization session

Dear Madam/Sir,

Hope you are doing well. We want to wholeheartedly thank you for giving us the opportunity of collaboration for organizing a theatre and discourse on gender sensitization on 23 December 2017, which we feel is very essential for the children of the future. There were a lot of keen students who interacted with us and made the session fruitful for all of us present there. We hope to get more chances to work together again. Let these conversations continue and let us grow together.

Thanks and regards,
