

## FEEDBACK ANALYSIS 2022-23

### Alumni feedback:

1. College might consider organizing conferences or events for alumni.
2. I suggest to include more use cases related to statistical concepts as it's widely used in Data analysis and also many algorithms in economics & statistics.
3. There should be regular smart class in every department so as for better understanding of students.
4. College must encourage students for hands on internship in research and development.
5. If there will be some type of guidance for post graduate entrance examinations like JAM, JEST, CUCET etc. then it will be very helpful for the students.

### Parent Feedback:

1. Please improve college library.
2. Master of Arts in Urdu department should be in our college.

### Student Feedback:

1. Technological courses as Ai technology growth etc.
2. Please provide more books in library for Urdu honours and smart classes.
3. Regularly take assignment from students.
4. The college should take this type of review form students every year.
5. Our college need some good professor in our geography department to take good classes and a good computer lab.

### Teacher's Feedback:

1. To start essay writing competition.
2. Need more instrument for teaching specially ICT classroom
3. Syllabus should be precise containing important topics.
4. If field visits are merged with other colleges or faculty exchange program are being created through special classes, it will be beneficial.
5. More orientation program about job may be done.
6. Should start add on courses.
7. Drinking water should be better in everywhere in the college campus.

### Action Taken Reports:

1. **ICT Class:** Routine committee take action for the optimal use of the existing ICT classrooms.
2. **Skill based Education:** Forwarded to Governing Body.
3. **ICT use:** Forwarded to Governing Body and the matter is discussed in GB dated 23.07.22.
4. **Seminar:** Departments are directed to organized seminars and webinars.
5. **Study Materials:** E- resources are enriched time to time and all departments are asked for further enrichment of the e-resources.
