Excellent session

Extremely happy with the speaker. Things have been demonstrated very clearly. By far one of the best workshop in Bidhan Chandra College

Both the session lectures are very nice

Nice

Good initiative

Today's session was very helpful for us..We acquired sound knowledge about IPR..How Trade Secrets, Patents, Copy rights and Trade marks are necessary to protect human creativity and invention..How Research ideas proposals and thesis can be protected by IPR..What are the fields where IPR is not required..In short These two phases are too much beneficial for our future academic purposes.. A great thanks to Dr Debabrata Samanta for his valuable and excellent effort.. Thanks to all faculty members and Honourable Principal Sir of B.C College Asansol.

good initiative
