## Report on Students' Seminar of Department of Chemistry in the Academic Session 2022-2023:

The Students' Seminar is an initiative taken by the department to enable the students to showcase their presentation skills as also to give practical exposure of their knowledge. All the students of semester VI and IV were participated in the activity. They were initially guided by the faculty of the departments. Each student chooses their own topic for their presentation. After the presentation there was a discussion session. The students enjoyed this learning session a lot and it was very much beneficial to them.
