Comments for further development in curriculum, infrastructure and grievances

23 responses

Good

This institutions education too good

OVER ALL EXPRIENCE IS GOOD

Very good collage

Need to improvement canteen facilities

NA

Discipline

Best Physics department of Asansol

Make the college politics free

A defined syllabus stating all the important topics and highlights of a given chapter.

Need more facilities

There should be a proper student canteen in the college premises.

Overall good

I need to improve myself and become a reach

All things good but campus facility not better.

Good in all subjects but need to focus on political ground

Nil

Should improve technical (Computer) teaching style in B.com

Feedback is an essential element of the learning process. The college collects the feedback on various curricular aspects and infrastructure from different stakeholders such as the students, alumni, faculty and employers through online. The feedback collected has been analysed and taken into the consideration for the development of curriculum, teaching - learning process and infrastructure.
