Quality of teaching
Indulging with students

Teachers support us when we want to learned

- 1.It is very difficult to complete the shyllabus . Shyllabus is very long,it would be better if the shyllabus be compact.
2. It is suggested to arrange an educational team for the students.it will make them encouraged in all respect in learning process.

3. Information & communication technology (ICT) teaching should be enhanced. We are interested in ICT learning and group learning.

Teaching and learning was ver good no need of improvement it is already extraordinary

1. Kindly give more project and real time problem to solve.
2. Try to reach every student and ask for their doubts.
3. Use better graphics and visual media to engage students well.

Every Teachers of our institution have out standing ability to teach the Students in very well manner but something should be change in teaching learning process

First of all Teachers should use the Black board and projector method by it easy to understand the concept..

second one is Teachers should use the Discussion method in which they can discuss the particular topic with the students..

Third one is that Teachers should be more active towards the Students in other curriculum.. Thankyou

According to me pls improve the teaching in every day
All Teachers should be perform their duties in honour
And clean the garbage are

1:- College should take regular classes as they just take one class per day or not even that saying students the teacher is not available today.

2:- College should involve students in sports or physical activity.

3:- Last and most important. They should respect students. They treat students as inferior as we are nothing at all in front of them. They talk to us rudely (mostly in library). They dont listen to us properly and gives there opinion or shout without any reason.

It is great and very nice in this institution

It's a request that teachers should cover the syllabus before exam .
They should ask students about their problems in various topics,
don't neglect us .

1. Kindly give more projects
2. courses can be more research
3. use new technologies for teaching

1. It is very difficult to complete the syllabus as syllabus is very long vast at would the letter of the syllabus the compact

2. it is suggested to arrange on education for the students it will make them encouraged all respect in learning process.

3. Information and communications technology teaching should be enhanced were interested in ITC learning and group learning..

Give the best suggestion with questions

Good mentor

1. Using ICT tools to enhance the quality of teaching learning process.

2. Kindly give more project and courses can be more research oriented.

3. Make eye contact and address students by name.

Out standing

First - college should take regular classes and they have taken regular classes even in bad situation...

Second - i want to say that our clg teachers are so wonderful,,they help us anytime in any situation.... Try to reach Evey student and ask for their doubts ,and they almost do...

Third- they always respect students, they talk to us very sweetly .

Mostly in class

They properly listen to us ..

Teachers should encourage the students to do better.

Lack of discipline in studies is a major problem and must be maintained by the teacher as well as students.

Need to add more efforts by the department so that students can take it seriously.

Regular class test, mainly focus on practical classes instead of theory class

All are very no need to give any suggestions thank you sir

1:More practical classes.

2: Separate Doubt clear session

3:updated books in the library

a)It is very difficult the syllabus as syllabus is very long.

b)It is suggested to arrange an educational them for the students.It will make thame encourage in all respecting learning process.

c) Teaching should be enhanced.We are interested in ICT learning and group learning

Our Bidhan Chandra College is very good. I am very happy to study in this college. The environment of the college is very good. The teachers of the college teach and understand us very well.

Shayesta Ali

Everything is perfect loved the way the mentors taught us

There should be projector classes in each and every classes to clear the concept very well .

Excellent experience

It is suggestions to arrange an educational them for the students it will make them aranged in all respects in learning process

All teacher not very good behaviour

This institution is very advanced. If you listen to all the rules of the institution and the teachers, you can easily take yourself to the path of improvement. Many many thanks to the teachers of this institution.
