Subject: Proposal for Training on Combined Competitive Exam

Dear Sir/ Madam,

Greetings from The George Telegraph Training Institute!

Introduction:

We, The George Telegraph Training Institute, established in 1920 and since then we have been dedicated in empowering the youth through job oriented training.

We have been providing training, certification and placement on engineering and technology based professional Skill development programs since its inception.

We have been successfully completed a journey of 103 years and established the brand across the country in delivering skill training to make the youth skilled and employable.

We are partner to NSDC, TALLY, Microsoft, NSOU to provide state of art quality Skill Education among youth.

We have various verticals like George Telegraph Training Institute, George College, George School Competitive Examination, George School of Skills

Proposal:

We have seen for many years that the youths of our state majorly aspire for government jobs but due to lack of proper guidance and practical training on "How to Crack the Exam" many of them fail to grab such opportunities.

We would like to provide such state of the art training to the students of your esteemed college at minimal affordable cost. So that, they can become competent to crack government jobs like WBCS, PSC, Bank, SSC etc.

Course Details:

Course Name: Combined Competitive

Course Duration: 6 months

It would be our pleasure, if you kindly provide us sometime to provide a free seminar/workshop on How to Crack the Exam to the students of your college.

Thanking You

Yours truly,

Sourav Chakrabarty
