Objective of the Seminar

It has been observed that violence is prevailing indomitably since the beginning of the history of mankind and which leads to vulnerable consequences as we experience these in different ages of time. For the cause of violence still we are not able to be educated enough to establish violence-free world in our present society. Although we reached at the pick of science and technology in this twenty-first century, still we are being defeated by the awful, frightening form of violence.

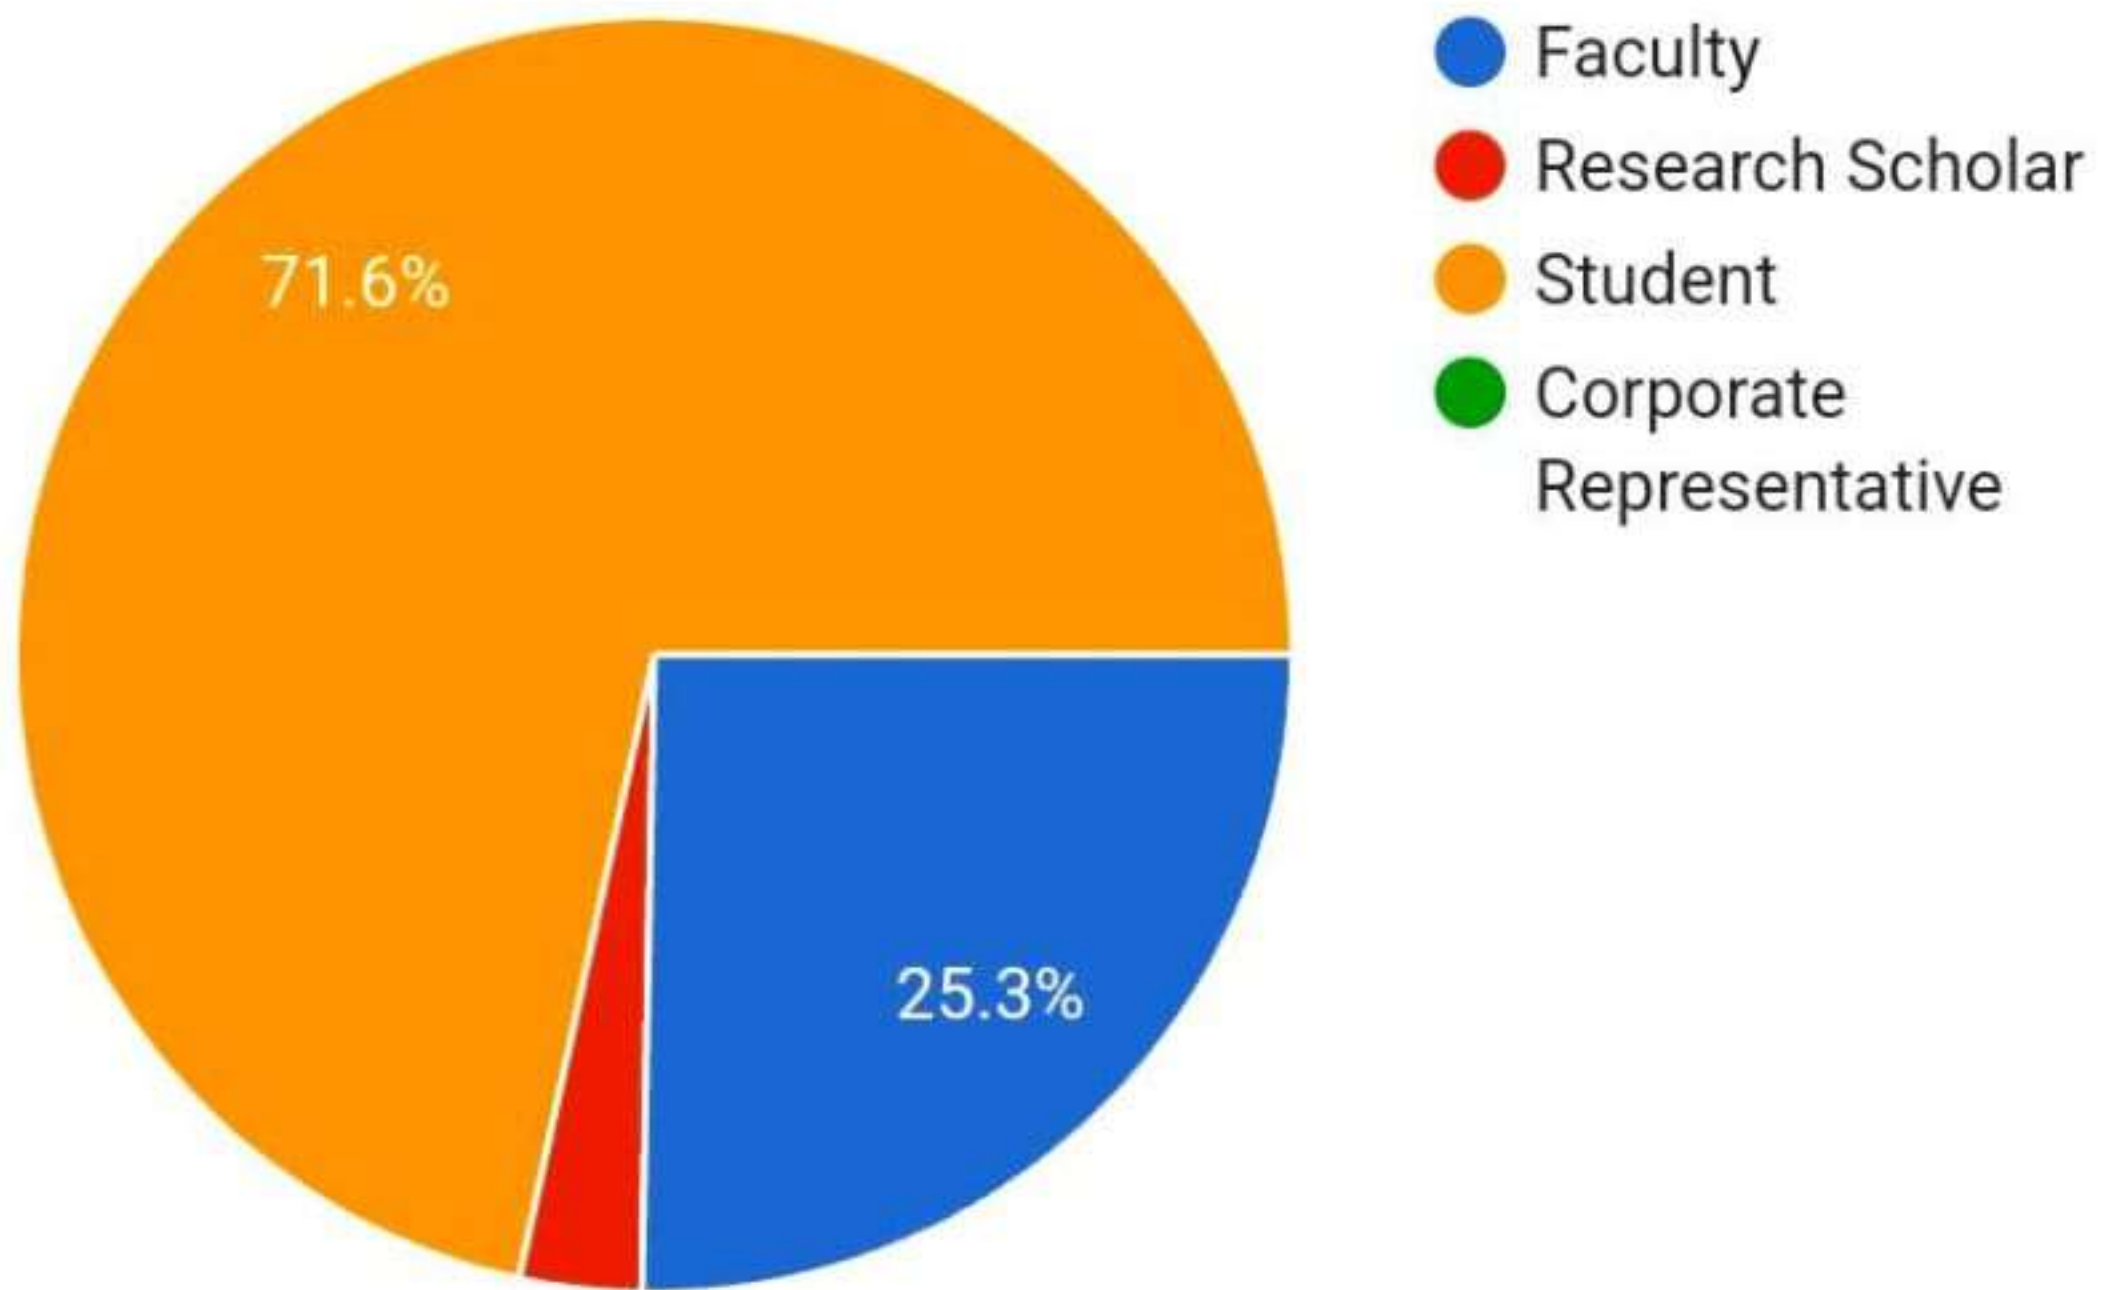

In this perspective, all intellectuals of every corner of society are required to be united, for delivering, preaching and teaching regarding the necessity of spirituality in everyday of life to being out a prosperous society.

Dr. Debabrata Saha delivered his paper
on Buddha and Yoga Philosophy from
the perspective of Ahe'usa Sarasana.
Dr. Sk. Abdul Halim delivered his paper
on Sankhya Philosophy and S'radbhagabat
Gita from the perspective of Ahe'usa Sarasana.
