One Day National Webinar on Literature and Culture: Texts in Contexts
29th November 11 A.M- 2 PM IST

Organized by the Department of English, Bidhan Chandra College, Asansol

The historical and emergent tradition of literature and culture continuously highlights the developments, possibilities and dynamics of the discourse in various ways. Through critical interpretations and dialogues, one can find how language mediated through texts arranges and allows different ways of knowing and living. Literary and cultural theories open thoughtful provocations. The proficiencies in communication and perception are the significant advantages of the practice and praxis of literary and cultural studies in terms of the texts in contexts.
