FEEDBACK ANALYSIS 2023-24

Parent Feedback:

1. Recorded classes video or course available in YouTube should be given to students via WhatsApp.
2. Placement assistance should be provided.
3. Communication Skills: Emphasize courses in writing, public speaking, and interpersonal communication to improve communication abilities.
4. Include courses in technology, digital literacy, and innovation to stay updated with technological advancements.
5. Provide opportunities for internships, research projects, and hands-on learning experiences relevant to students' fields of interest.
6. Offer courses or workshops on time management, leadership, and personal finance to help students develop essential life skills.
7. Allow students to explore their interests by offering a variety of elective courses across different disciplines. This comprehensive approach can help students develop a well-rounded skill set and prepare them for success in their careers and personal lives.

Student Feedback:

1. ****Interactive Teaching Methods****: Incorporate more interactive teaching methods such as group discussions, case studies, and hands-on activities. This approach not only engages students actively but also fosters critical thinking and problem-solving skills.
2. ****Technology Integration****: Utilize technology effectively in the classroom by integrating multimedia presentations, online resources, and educational apps. This can make learning more dynamic and accessible, catering to diverse learning styles and preferences.
3. ****Feedback Mechanism****: Implement a robust feedback mechanism where students can provide regular feedback on courses, instructors, and overall learning experiences. This feedback loop allows for continuous improvement and ensures that the teaching methods align with students' needs and expectations.
4. Mainly the practical use of the theory which I read, as example if more better computer course will be added then there is no issue, particularly for my course.
5. Spoken English

Teacher's Feedback:

1. Syllabus and number of paper in a semester is too much.
2. Try to include SWAYAM courses in SEC/AEC
3. Need the books, inquiry section and smart class room for Urdu Department.
4. Syllabus should be upgraded so that students get advantage during competitive exams
5. Improvisation of e-library facility, Introducing a digital library system will be useful for students to expand their innovative thoughts.

Alumni feedback:

1. No mentionable suggestion was obtained.

The above feedback analysis was placed in IQAC meeting on 14.08.2024 and following actions are proposed,

Bidhan Chandra College

Action Taken Reports:

1. ICT Class: A ICT enable class room (Room No-323) can be allotted to Urdu Department. Room No. A-103, 113, 201 and Central computer lab will be modified as ICT enable class room.
2. Syllabus and curriculum related feedback: Forwarded to Governing Body.
3. Study Materials: All departments will be asked for more e- resources and lecture videos for enrichment of students. Teachers will also be requested to share lecture video links with the students (if possible).
4. Library: Purchase of new books for all departments are already been passed by the Purchase committee and forwarded to Governing Body for proper action.
5. Digital Library: Forwarded to Governing Body.
6. Add-on course on communication skill and one workshop on financial management has already been completed during the time.
7. All departments will be requested to develop course wise feedback in class for the student benefit mechanism.
8. Placement Assistance: Forwarded to Governing Body.
9. Inclusion of advance computer course: As curriculum is framed by affiliating university so we have no direct contribution in this part, but in collaboration with B.C.College Computer Centre (The Institute of Computer Engineers) college offers various advance courses for students in reasonable fees.

The meeting resolution will be placed in coming governing body meeting for approval.
